

**REMARKS**

The transcription error was not noted earlier. The inadvertent error arose when transcribing from the less than clearly handwritten line which stated "3 Jun. '03" but was misread as "3 Jan. '03" when it was typed in full to spell out the name of the month and the year. It is evident from the Serial Number that the date was a transcription error.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Alfred D. Lobo". The signature is written in a cursive, somewhat stylized script.

Alfred D. Lobo (Reg. No. 24,109)
